As Corporate Controller, Sandy Vanden Bosch supervises all home office functions for KHC. Her key responsibilities include all accounting functions, human resource functions, oversight of the IT department, and supervision of traveling home office staff.

Mrs. Vanden Bosch joined Kinseth Hospitality as a property level controller in the late 1980s and has been with the company for over 20 years. Mrs. Vanden Bosch became a Certified Public Accountant in 1990. After serving in a single hotel capacity, she led the growth and development of the Kinseth Hospitality financial information systems. Its first implementation began with five hotels in 1991 and is now moving the information flow for the entire Kinseth portfolio. In addition to leading the development of the construction accounting software Kinseth uses, Mrs. Vanden Bosch controls the financial requirements and reporting for the Kinseth renovation and construction projects.

She ensures timely and accurate financial reporting, leads key financial performance benchmarking programs, and consistently conducts accounting and operational reviews. Mrs. Vanden Bosch supports operations management through the production of numerous reports produced by Kinseth Hospitality's extensive financial systems. She is also responsible for financial reporting, property audits, IT operation and data analysis. She currently sits as a member of the Iowa Society of Certified Public Accountants as well as Hospitality Financial and Technology Professionals.

Sandy has been instrumental in devising financial reporting to satisfy the Courts as Kinseth has been involved with many hotel Receiverships.
